CATALOG

PYRACANTHA ROSEDALE
(Trade Mark Reg.)

25th Anniversary Edition

Please, Read Before Ordering!

TERMS—While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to 1% monthly interest charge and sight draft. No discount will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

CLAIMS—Claims must be made immediately upon receipt of goods. If an error has been made by us, please notify us promptly, and we shall take pleasure in adjusting the matter. We do not guarantee plants to live. At no time will we be responsible for more than the purchase price of the stock ordered.

We carefully pack all stock, and make every effort to secure prompt and careful handling by the transportation company. However, our responsibility ceases upon delivery of stock in good condition to the transportation company. Claims for damage or delay in transit should be filed with the transportation company. In this connection we shall be glad to assist you in any way we can.

WE ARE A PINK TICKET NURSERY—It certifies that stock from which shipment is made has been found free of pests not of general distribution in Los Angeles County and is released for planting in said county without further inspection.

ACKNOWLEDGEMENT—Your orders will be acknowledged promptly and shipments made as quickly as possible, so if your order is not acknowledged please advise us immediately. Sometimes, because of inclement weather, or the press of business, there may be a slight delay in shipping, but we assure you that this will not be more than is absolutely necessary.

NON-WARRANTY—The Monrovia Nursery Company will exercise care to have all plants true to name. Nevertheless, it is understood that should any plant prove otherwise, we shall not be liable for any sum greater than paid for such plants as may prove untrue. If the purchaser does not accept the goods on these terms, they are to be returned at once.

VISIT OUR NURSERY—The latch string is always out at Monrovia Nursery Company. We'll be delighted to have you visit us at any time. A postcard or phone call in advance and we'll meet you at any local terminal.

MINIMUM QUANTITIES

Please do not order less than the following quantities of any one variety:

- 25 in 2" lining out stock
- 10 in 1-gallon containers
- 5 in 5-gallon containers

SHIPPING

PACKING—There is no charge made on packing 2¼" and 3" pot size plants. These liners are shipped Railway Express Collect unless specified differently by you. To insure safe and economical delivery, the liners are packed in sturdy light-weight cartons and shipped to all parts of the country.

There is no charge for packing azaleas—These are shipped by Railway Express Collect unless you order differently. The azaleas are specially packed to keep shipping costs at a minimum.

When ordering a truckload or a carload, beyond our free delivery area, **packing, loading and bracing are free**. If you have any preference of rail or motor freight lines, it will be followed. Or, if you prefer, all arrangements will be made for you with speed, safety and economy in mind.

When crating and packaging are necessary for shipping less than truckload lots, there is a charge made at cost—10c on gallon cans—25c on five gallons. This type of shipment can be sent most economically by motor freight.

DELIVERY—Stock shipped from Monrovia Nursery Company comes to you in the quickest, safest, and most economical manner possible.

To insure its condition upon arrival being as perfect as when purchased, loading is entrusted only to a skilled crew. The area delivery schedule listed below is rigidly followed so that you can approximate the arrival time of your order.

Please—We must have your order a few days before the scheduled delivery. This not only gives us more time to select better stock, but it does insure delivery on schedule.

DELIVERY SCHEDULE

Area	Time	Area	Time
L. A. Metropolitan	Weekly	San Joaquin Valley & South	2nd week each month
Orange Co.	2nd & 4th Fridays	San Joaquin Valley Merced to Sacramento	2nd week each month

AZALEAS

M-N's Belgian Indica Azaleas are the most outstanding in America—your sales will prove it! Specially grown, they are sturdy, bushy, compact plants with enormous double blooms of exquisite coloring. The finest for forcing, landscaping, or selling in pots, and priced to make you money.

	POT SIZES				
	2-in.	3-in.	4-in.	5-in.	7-in.
Albert and Elizabeth. One of the most beautiful and striking of azaleas. Large, magnificent, double blooms of pink, shading into lighter pink and white toward the center. A good grower. Blooms in March and April.....	\$.17½	\$.30	\$.40	\$.85	\$ 1.60
Avenir. A very bushy, compact azalea producing a great profusion of double, glowing, coppery-pink flowers. Blooms October through December. Good for Christmas forcing17½	.30	.40	.85	1.60
Blushing Bride. Large, double blooms of blush pink. Low, spreading and compact growth. Blooms in March and April17½	.30	.40	.85	1.60
Dr. Bergmans. A distinctive Azalea having a large, double flower in various shades of pink and rose. The throat is a deep red. Blooms profusely through February and March17½	.30	.40	.85	1.60
Eric Schame. A variegated that will match Paul Schame for popularity. Double, salmon-pink flowers with white streaked margin. Good for Christmas forcing. Blooms December through March.....	.17½	.30	.40	.85	1.60
Glory de Loochristy. A beautiful, double, salmon-orange flower. A heavy bloomer and compact grower. Blooms in the spring17½	.30	.40	.85	1.60
Jean Hearrens. A very compact grower with large, double blooms of deep blushing-pink. Blooms midseason.....	.17½	.30	.40	.85	1.60
Loelia Alba. A double white that blooms early. Foliage is light green. Forces easily. Blooms November and December17½	.30	.40	.85	1.60
Mme. Alfred Sanders. Masses of double, rich red flowers from November to May. Excellent for Christmas forcing. This beauty is always in demand.....	.17½	.30	.40	.85	1.60
Mme. Charles Vuylsteke. The brightest, double red of all Belgian Indicas. Attractive long, shiny, green leaves. A prolific bloomer. Blooms December through March. Forces for Christmas.....	.17½	.30	.40	.85	1.60
Mme. Petrick. A continuous and profuse bloomer with large, double, cherry red flowers. Blooms from October through March17½	.30	.40	.85	1.60
Mme. Petrick Alba. One of the popular Mme. Petrick Azaleas. A large, snow-white, double flower. Blooms both fall and spring.....	.17½	.30	.40	.85	1.60
Mme. Petrick Superba. Large, double blooms of cherry-pink edged in white. Very attractive and blooms early.....	.17½	.30	.40	.85	1.60
Mme. Vandercruyssen. Large, light, cherry-red, semi-double flowers with crimson dots in the throat. Excellent for Easter17½	.30	.40	.85	1.60
Niobe. One of the best white azaleas. Produces large, pure, glistening white, double flowers. Very bushy and compact grower. Blooms March and April.....	.17½	.30	.40	.85	1.60
Orchidflora (Eleanor McGowan). The huge, double, fuchsine-pink flowers make it one of the most spectacular. The size and color of this flower is something you'll never forget. Blooms February through March.....	.17½	.30	.40	.85	1.60

Anniversary Camellia Package

Colonel Firey (C. M. Hovey) (Wm. S. Hastie) (Duc de Devonshire) (Solaris) (Firey King). Very large, formal double, dark red flowers with imbricated petals. One of the finest and most admired of red camellias. Slender growth with long, twisted, narrow, dark green leaves. Blooms midseason to late.

2-in. pot.....	\$.30	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	5-gal. 2 yr.....	2.95
1-gal. 1 yr.....	.85		
1-gal. 2 yr.....	1.25		

Covina. Medium, semi-double, rose-red flowers freely produced over a long period. Vigorous, compact, bushy plants well suited to landscape planting. Foliage excellent, dark green. Will grow in sun. Fine for pot or tub specimen. Blooms midseason.

2-in. pot.....	\$.30	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	5-gal. 2 yr.....	2.95
1-gal. 1 yr.....	.85		
1-gal. 2 yr.....	1.25		

CAMELLIA, DEBUTANTE (See description below)

Daikagura Variegated (Kiyosu). Large, peony-type splotted with white, with clusters of small petals in center. Slow, compact, upright growth and dull green foliage. One of the most popular of the variegated camellias. Blooms very early.

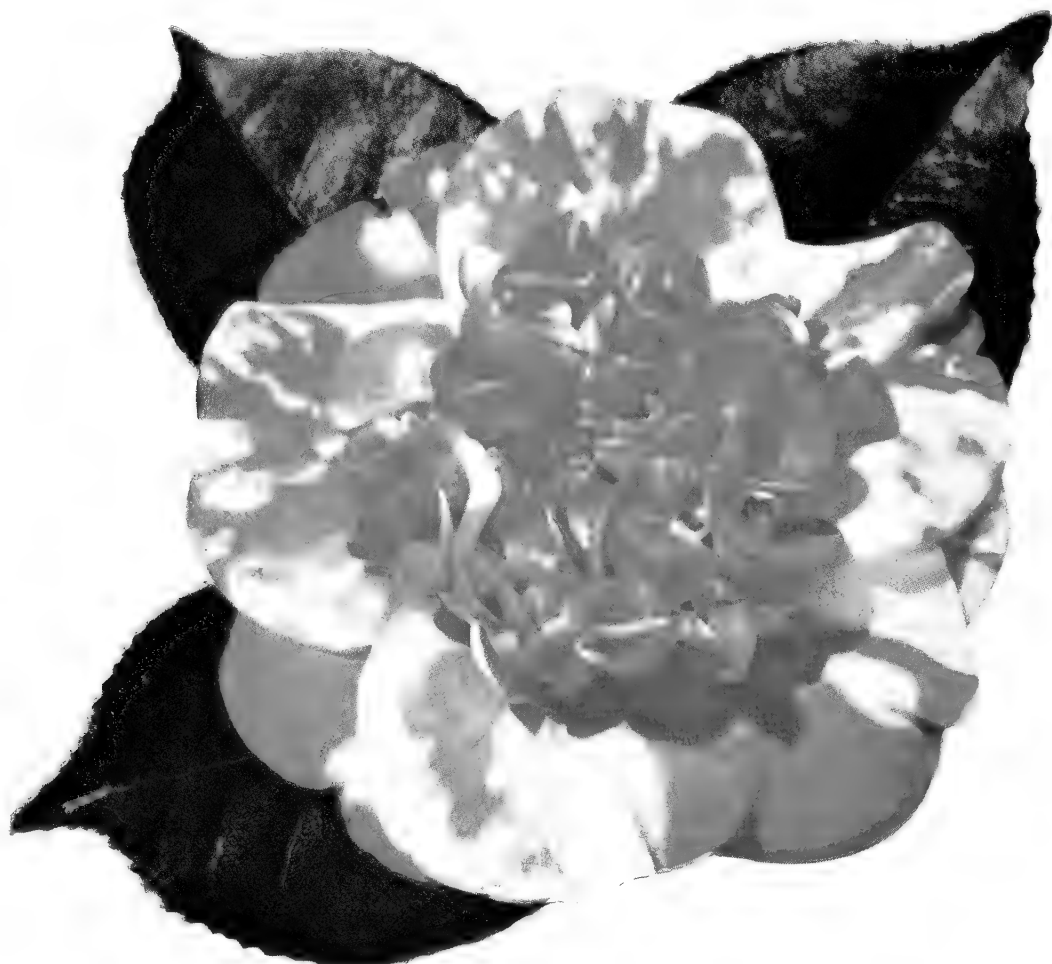

2-in. pot.....	\$.30	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	5-gal. 2 yr.....	2.95
1-gal. 1 yr.....	.85		
1-gal. 2 yr.....	1.25		

Debutante (Sara C. Hastie). Large, light pink, tightly formed peony type. One of the most vigorous growers. Upright growth with heavily serrated, light green foliage. The finest pink peony-form. Blooms early to midseason.

2-in. pot.....	\$.30	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	5-gal. 2 yr.....	2.95
1-gal. 1 yr.....	.85	7-gal. 1 yr.....	3.95
1-gal. 2 yr.....	1.25		

Emperor of Russia. A large, brilliant scarlet flower, having large petals around the outside, with smaller petals towards the center, making a multi-centred double to peony-form. Slow compact growth. Blooms midseason.

3-in. pot.....	\$.45	5-gal. 1 yr.....	\$2.50
1-gal. 1 yr.....	.85	5-gal. 2 yr.....	2.95
1-gal. 2 yr.....	1.25		

CAMELLIA, EMPEROR WILHELM

Emperor Wilhelm (Gigantea) (Magnolia King). Huge, semi-double to peony form. Rich red flowers marbled white. Vigorous upright growth. Leaves large and dark green. Blooms mid-season.

2-in. pot.....	\$.50	5-gal. 1 yr.....	\$3.00
3 in. pot.....	.75	5-gal. 2 yr.....	3.95
1-gal. 1 yr.....	1.10	7-gal. 1 yr.....	4.95
1-gal. 2 yr.....	1.50	7-gal. 2 yr.....	5.95

Glen 40. A beautiful, deep red, very large, formal to rose-form double with imbricated petals. Slow, upright, and a compact grower. Blooms mid-season.

5-gal. 2 yr.....\$4.95

Grandiflora Rosea (Lady Clare) (Empress). The largest, semi-double pink. Vigorous, bushy growth, with shining, pointed dark green foliage. Blooms mid-season.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3 in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95
				7-gal. 2 yr.....	4.95

H.E.R. Collection. Mixed varieties only. Plants in this collection are all from fine types, no seedlings. You will find many excellent and choice varieties among these plants. Not labeled.

2-in. pot.....	\$.20	1-gal. 1 yr.....	\$.65
3-in. pot.....	.30	5-gal. 1 yr.....	1.75

High Hat. A soft, shell-pink sport of the old favorite Daikagura with large, peony-form blossoms. A slow, compact, upright grower with dull green foliage. Blooms early to midseason.

2-in. pot.....	\$.50	1-gal. 1 yr.....	\$1.10	5-gal. 1 yr.....	\$3.00
3-in. pot.....	.75	1-gal. 2 yr.....	1.50	5-gal. 2 yr.....	3.95
				7-gal. 2 yr.....	5.95

Jordan's Pride (Herme) (Hikaru-Genji) (Souv. de H. Guichard). Our improved strain is predominantly double peony centered. A striking, light pink with an irregular, white margin and streaked with deep pink. Profuse blooming even while young. One of the few fragrant camellias. Blooms midseason.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95
				7-gal. 1 yr.....	3.95
				7-gal. 2 yr.....	4.95

Kumasaka (Lady Marian) (Beni-Karoko) (Jeanne Kerr). A bright, rose-pink with slightly darker shades along the veins of the petals. Our strain is predominantly double peony centered. Free flowering, even while young. Excellent for cutting. Midseason to late.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95
				7-gal. 1 yr.....	3.95

Laurel Leaf (Lallarook) (II Tramonto) (Avenir). Full double, imbricated, large, pale pink flowers, softly marbled white. The outer petals are a deeper pink. Slow and compact in growth, the foliage resembles that of a Laurel. Blooms midseason to late.

5-gal. 2 yr.....	\$3.95	7-gal. 2 yr.....	\$5.95
------------------	--------	------------------	--------

Lindsay Neill. Dark red and marked with pearly white, the Lindsay Neill camellia has a large, semi-double, peony-type flower with stamens among its petals. The plant, open and spreading in its growth habit, has the high glossy foliage so highly desired. Blooms early.

1 gal. 1 yr.....	\$1.10	5-gal. 1 yr.....	\$3.00	7-gal. 2-yr.....	\$5.95
		5-gal. 2 yr.....	3.95

Mathotiana (Julia Drayton) (Purple Dawn) (William S. Hastie) (Purple Emperor). One of the largest and most spectacular red camellias. Brightest scarlet, double, rose form with unusually large textured and veined petals. A handsome shrub of vigorous, compact growth and dark green leaves. Occasionally this variety will show a spot of white on the bloom. Blooms mid-season to late.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95
				7-gal. 1 yr.....	\$3.95

Mathotiana Variegated (Julia Drayton Var.) (Paulina). Attractive, large, scarlet flowers blotched with white. Rose form, double flowers with unusually large petals. Blooms midseason to late.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95
				7-gal. 1 yr.....	3.95

Monjisu (California Donckelari Var.). Semi-double, cherry-red flowers marbled with white. Very bushy growth. Young plants bud heavily. Blooms midseason.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95
				7-gal. 1 yr.....	3.95

Mrs. Charles Cobb. Large, dark red, semi-double to loose peony-form. A fast, upright, spreading, symmetrical grower with light green, glossy foliage. Blooms midseason.

5-gal. 2 yr.....	\$3.95
------------------	--------

Mrs. Josephine Hearn. A distinctive, semi-double, rose pink flower with center petals fluted among the stamens. Very attractive, glossy, pointed, slightly serrated, dark green leaves. A good, compact, upright grower.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95
				7-gal. 2 yr.....	4.95

Nagasaki (Lady Audrey Buller) (Mikenjaku) (Empress of Russia). Very large, semi-double, rose-pink marbled white with large ruffled petals. Slow, spreading growth, with an abundance of dark green foliage. Blooms midseason.

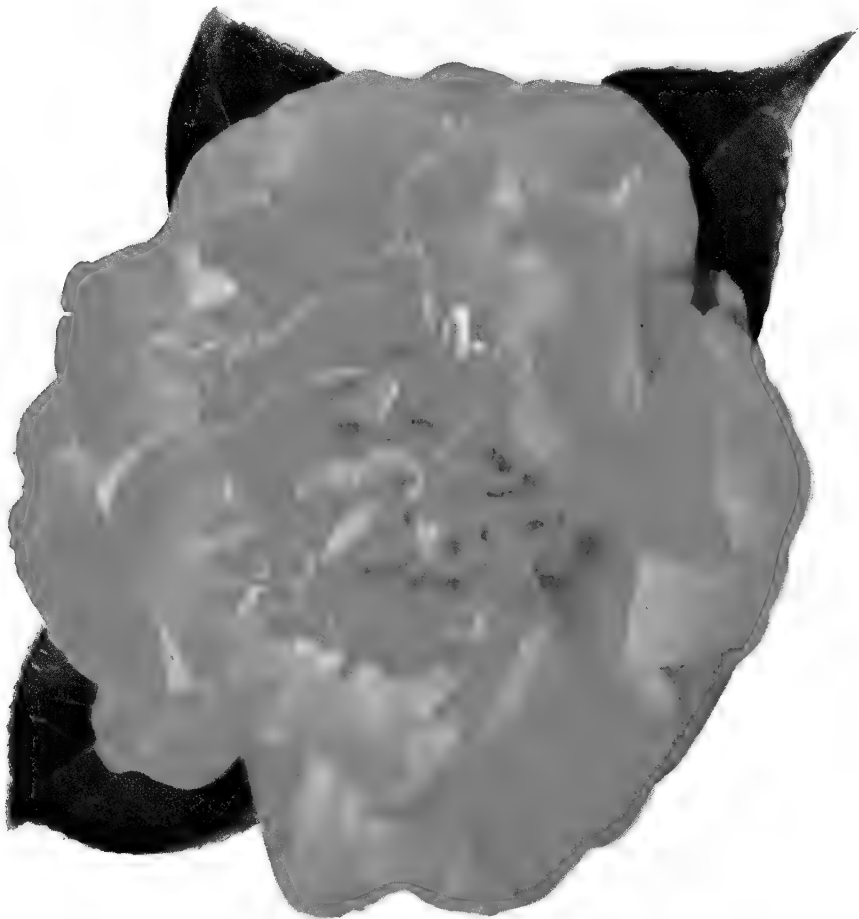

5-gal. 1 yr.....	\$3.00	5-gal. 2 yr.....	\$3.95
------------------	--------	------------------	--------

Pink Perfection (Frau Minna Seidel) (Usu-Otome). Medium, formal double flowers of soft shell pink. Petals imbricated. A long season bloomer. One of the most popular of all camellias. Vigorous shrub with erect growth and rounded glossy leaves. Blooms early to mid-season.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95

Pope Pius IX (Imbricata Rubra Plena) (Prince Eugene Napoleon) (Lardiner's Red) (Carlotta Grissi) (Rubra Plena). Large, formal double, red flowers with imbricated petals. Upright, compact growth. One of the finest reds. Blooms midseason.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95
				7-gal. 1 yr.....	3.95

CAMELLIA, TE DEUM (See page 13)

Princess Baciocchi. Large, carmine-red, semi-double to semi-peony form. Vigorous and bushy, compact growth with dark green, rounded foliage. Blooms midseason.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95

Prof. C. S. Sargent. Medium sized, dark red, full peony type flower with ball of incurved petals edged with a frill of broader petals. Vigorous, bush and upright. Very popular variety. Blooms midseason.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95
				7-gal. 1 yr.....	3.95

Purity (Neige d'Ore) (Shiragiku). Our strain is predominantly formal double. This pure white, symmetrical flower is one of the finest and most popular white camellias. Blooms midseason to late.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95

Romany (Belgium Red). Medium sized, rose-red, perfectly double, formal flower. A compact, vigorous grower with fine foliage. Blooms midseason.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95

Rosedale's Beauty (Trade Mark Registered). Highly desirable for both its flowers and its growing habits. A very upright, bushy grower with huge, rounded, deep green leaves which are most attractive. This camellia withstands more cold than most camellias. Large, double, rose-red flowers are gracefully composed. Blooms midseason to late.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95

Rose Dawn (Davis Rose Dawn). A pleasing, deep rose pink flower, formal to rose form in type. Vigorous, spreading growth. Blooms midseason.

3 in. pot.....	\$.45	1-gal. 2 yr.....	\$1.25	5-gal. 2 yr.....	\$2.95
----------------	--------	------------------	--------	------------------	--------

Ruby Glow (Vedrine) (Margaret Lawrence) (Bolen's Pride). Large, brilliant, deep-red flowers semi-double to loose peony form. A vigorous, upright grower. Blooms early to midseason.

2-in. pot.....	\$.30	1-gal. 1 yr.....	\$.85	5-gal. 1 yr.....	\$2.50
3-in. pot.....	.45	1-gal. 2 yr.....	1.25	5-gal. 2 yr.....	2.95

Salmon Queen. Medium large, formal double to full peony form. A rich, brilliant glowing, salmon pink. The outer petals are very distinct and inner ones somewhat clustered, but very compact and gracefully composed. Does especially well along inland valleys. Blooms mid-season.

GENERAL ORNAMENTAL LIST

2-in. Pot 1-Gal. 5-Gal.

ABELIA Edward Goucher. Pink Abelia

One of the most useful shrubs as it can be confined to any desired size and can grow in most any location. The shiny, deep green leaves are tinted with an amber hue. The dainty, clear pink flowers are produced all summer. This popular hardy shrub sells the year 'round.....

\$.15 \$.40 \$ 1.60

Abelia grandiflora. White Abelia

A very hardy shrub of medium size with graceful, arching branches clothed in deep green, shiny, small leaves; new growth is reddish. The white flowers are borne most of the summer. Always in demand.....

.15 .40 1.60

ACACIA baileyana

The best acacia for street planting, lawns, for shade, etc. Will not lift the soil or heave pavements. Medium sized tree with round head of blue-green fern-like foliage and showy masses of fluffy yellow flowers in late winter and spring.....

.15 .40 1.85

Acacia floribunda. Everblooming Acacia

Very popular small round headed tree. Foliage a good green, clean and neat; flowers bright yellow, fluffy appearing most of the year.....

.15 .40 1.85

Acacia latifolia. Bush Acacia

A small tree or large bush with long leaves and bright yellow fluffy flowers in spring. Much used as a background shrub or wind break, which with pruning makes a tight mass of leaves.....

.15 .40 1.60

Acacia melanoxylon. Blackwood Acacia

Fast growing, evergreen tree that produces a dense head of dark foliage, brightened in the spring with creamy-yellow flowers. It does well in most any soil.....

.15 .40 1.85

Acacia podalyriaefolia. Pearl Acacia

Beautiful small tree with roundish oval, silver-gray leaves and rich yellow flowers in long clusters.....

.15 .45 1.85

ACER palmatum. Dwarf Japanese Maple

A low bushy tree that grows rather slowly and gracefully. The leaves have a rose tint in early spring, a glistening green color in summer, and rich shades of red and gold in the fall. Deciduous.....

.60

Acer palmatum atropurpurea. Blood-leaf Dwarf Maple

Intense red leaves on this graceful dwarf maple make it especially attractive most of the year. Deciduous.....

.85

ADENOCARPUS foliosus. Canary Island Lupine

In the spring masses of bright yellow flowers appear on long spikes that resemble the lupine. This evergreen shrub, with its feathery foliage, has many uses and is especially valuable in semi-desert areas.....

.15 .40 1.60

AGAPANTHUS africanus (A. umbellatus). Blue Lily of the Nile

A hardy perennial producing dense masses of long dark green amaryllis-like leaves and stems 1 to 2 ft. long, bearing umbels of lovely blue flowers in summer. Hardy. Used as cut flowers.....

.12 .35

ALBIZZIA julibrissin. Silktree, Mimosa Tree

A small, deciduous tree that develops rapidly. The leaves are light green, frond-like and feathery. In summer, quantities of pink flowers in silken bundles appear at the upper end of the branches.....

.40

ALNUS rhombifolia (A. Californica). White Alder

Tall growing, shapely tree, native of the California canyons. Its very sturdy, gray trunk and branches, contrast beautifully with the dense, rich green leaves. Develops quickly to make a shade tree of excellent proportions. Deciduous.....

Barerooted—1 yr. seedlings, .06 each

AMPELOPSIS veitchi (Parthenocissus tricuspidata veitchi). Boston Ivy

Deciduous, close clinging vine, especially suited to cover masonry walls. The pointed leaves, besides making a desirable pattern, turn bright colors in the fall.....

.12 .40 1.85

AMYGDALUS alba nana (Prunus glandulosa).

Dwarf White Flowering Almond

Deciduous shrub 3 to 5 feet high deserving a prominent place in the planting because in spring before the leaves appear it is a mass of dainty double pure white flowers. Very hardy.....

.15 .40 1.60

Amygdalus rosea nana (Prunus glandulosa).

Dwarf Pink Flowering Almond

This is a heavy seller in the spring. Containers showing the plants in bloom never fail to attract attention. Like the White Almond except the flowers are dainty pink. Very hardy.....

.15 .40 1.60

ANTIGONON leptopus. Rosea de Montana, Queen's Wreath Coral Vine	2-in. Pot	1-Gal.	5-Gal.
Rapid climbing vine especially adapted to the warmer sections because it makes quick growth and blooms freely. May freeze to ground but makes quick recovery. Flowers bright pink. (See picture page 17)	.17½	.50
ARALIA papyrifera (Tetrapanax papyriferum). Rice Paper Plant			
A shrub or small tree used for a tropical effect. Leaves are silvery-green and very large. Good tub specimen for patios.....	.15	.40	1.60
Aralia sieboldi (Fatsia japonica). Glossy leaved Rice Paper Plant			
Dwarf growing evergreen shrub. Foliage deep green and glossy. Makes an excellent plant for patio planting in open ground or pots. Prefers some shade.....	.15	.40	1.60
ARAUCARIA bidwilli. Bunya-Bunya			
This tall, conical evergreen tree has distinct appeal. Its strange rope-like branches are clad with sharply-pointed, scale-like leaves. Very hardy	2.50

	2-in. Pot	1-Gal.	5-Gal.
ARBUTUS unedo. Strawberry Tree			
Hardy, evergreen shrub growing 8 to 10 feet with serrated, deep green leaves and brilliant red fruit in winter similar to strawberries. Creamy white, bell-shaped flowers appear in early spring. Sells best in spring and fall.....	.15	.40	1.60
ARCTOSTAPHYLOS uva-ursi. Manzanita, Bearberry			
Prostrate trailing variety, excellent for a ground cover. The leaves are a rich green. The flowers are white with a pink tint, followed by red berries60
ARDISIA japonica			
This plant is very popular because of its bright red berries produced in fall and winter. The large leathery leaves of deep green make it attractive. Requires shade.....	.17½	.60
ASPARAGUS plumosus. Asparagus Fern			
Small vine with dainty fern-like plumes of foliage. Much used as a bouquet filler and ideal for shady spots in patios or in the open ground	.15	.40
Asparagus sprengeri			
Leaves about ¾ of an inch long on long, arching branches making a fluffy mound of green foliage. Beautiful in hanging baskets.....	.15	.40
ASTER frikartii			
One of the finest perennial plants. With its violet-blue flowers it's an impressive sight from June to December. Full sun or part shade.....	.17½	.45
Aster fruticosus. Shrub Aster			
A small, evergreen shrub that is completely covered all spring with masses of deep lavender flowers. Likes full sun.....	.15	.40

AUCUBA japonica variegata. Gold Dust Plant

Small to medium-sized, compact evergreen shrub with large, green, glossy leaves splashed with gold. Splendid for tropical effect. Shade-loving. (For picture see page 18.)

2-in. Pot	1-Gal.	5-Gal.
	.60	1.95

AZALEAS. Belgian Indica

We are offering many good varieties in gallon containers. These are especially suited for landscaping purposes. See Azalea Section for varieties — pages 4-7.

.60

BAUHINIA galpini

Evergreen shrub or small tree that produces an abundance of orange-red flowers continuously as long as weather is warm.....

.....**.75**.....

Bauhinia purpurea. Orchid Tree

This desirable small tree produces a profusion of orchid-like flowers in the spring. Although we take utmost care to select seeds from plants having the true orchid color flower, variations might appear due to cross pollinization by birds and insects.

ANTIGONON LEPTOPUS (See page 15)

	2-in. Pot	1-Gal.	5-Gal.
BERBERIS thunbergi Small shrub highly valued for its neat, dark green, compact foliage. Deciduous and hardy.....	.12	.35
Berberis thunbergi atropurpurea. Japanese Barberry Beautiful bronzy-red foliage on a compact medium size shrub. Hardy and popular. (See picture page 19.).....	.15	.40	1.60
BIGNONIA chamberlayni (Anemopaegma chamberlayni) Yellow Trumpet Vine Strong growing, evergreen vine with clusters of showy, yellow-orange, trumpet shaped flowers. An ideal cover for fences, etc., where it is desirable to get a quick cover. Self supporting.....	.17½	.45	1.85
Bignonia cherere (Phaedoranthus buccinatorius). Scarlet Trumpet Vine A beautiful evergreen vine that will stand slight frosts. Makes a heavy, verdant cover and large sprays of huge trumpets 4 to 5 inches long and 2 inches wide. Bright red with a yellow tube. The cuttings for these are taken from the best large leaf type. Do not confuse this one with those commonly offered. (See picture page 19.).....	.17½	.45	1.85
Bignonia tweediana (Doxantha unguis-cati) Catclaw Yellow Trumpet Hardy, deciduous vine with slender shoots that cling to any surface. Flowers bright yellow, trumpet 3 inches long and 4 inches across.....	.12	.40	1.85
Bignonia venusta (Pyrostegia ignea). Flame Vine During the winter months, brilliant trumpet-shaped orange flowers hang in great masses. This evergreen vine is easy to grow and suited for warmer regions.....	.17½	.45	1.85
Bignonia violacea. Lavender Trumpet Vine Free flowering, delightful evergreen vine for sun or shade. Not rank in growth, and lovely in spring and summer when covered with light lavender, gloxinia-like flowers. Leathery, thick leaves.....	.17½	.45	1.85

WE USE EGG CANS BECAUSE—Although egg cans are more expensive than the five-gallon cans, experience has taught us they are an added service to the nurseryman and his customer. Lighter in weight, they are easier to handle and thrifty on freight costs. They are neater in appearance, do not corrode easily and are especially suitable for plant growth.

AUCUBA JAPONICA VARIEGATA (See page 16)

BLUE LAWSON CYPRESS. See Chamaecyparis

2-in. Pot 1-Gal. 5-Gal.

BOUGAINVILLEA Barbara Karst

This bougainvillea produces more blooms than any other bougainvillea. The large, brilliant red flower-bracts are produced in massive clusters most of the year. Plants bloom at an early age and create a riot of color in your sales yard.....

.25 .50 1.85

Bougainvillea brasiliensis (B. spectabilis)

This bougainvillea is an indescribable sight with its lavish clusters of purple flower-bracts. A semi-tropical, evergreen vine that always makes a satisfied customer.....

.25 .50 1.85

Bougainvillea Magnifica Red

Truly a magnificent bougainvillea. A very vigorous grower like the Bougainvillea San Diego and a profuse bloomer like Barbara Karst. It is an amazing sight when the bright red flower-bracts fill the arching sprays

.25 .50 1.85

Bougainvillea Orange King

Especially beautiful with its bronzy-gold flower-bracts that are produced on graceful sprays of this very vigorous bougainvillea. One of the newer varieties. Very commendable.....

.25 .50 1.85

Bougainvillea rosea

A very commendable bougainvillea considering both flowers and growing habits. Beautiful sprays of brilliant rose flower-bracts appear consistently throughout the year. Strong grower.....

..... .75 2.25

	2-in. Pot	1-Gal.	5-Gal.
Bougainvillea sandariana Hardest bougainvillea. Grows rapidly, the top filling out with a glowing mass of purplish-magenta flower-bracts.....	.25	.50	1.85
Bougainvillea San Diego Spectacular, bright red flower-bracts on pendulous sprays create an unforgettable sight when in bloom. An evergreen, sub-tropical vine that is most vigorous and has proven to be one of the most hardy of the bougainvilleas25	.50	1.85

BOUGAINVILLEA TEXAS DAWN

We pay deserved tribute to our collaborators, Evans and Reeves, in introducing this new development. And it is with a great deal of pride that we present it to you. For, in Bougainvillea Texas Dawn, we have a ravishing beauty . . . one that will become the favorite of them all, according to horticulturists who have seen it. Highly spectacular, this vine is peculiar for the myriad of Tyrian rose, gracefully formed bracts it suspends from long, arching sprays. Too much cannot be said of the shade of rose that colors the bracts—only the delicate pink of a dawn sky can begin to describe it. Other features of this new beauty are: Its fast growth, with ability to maintain its symmetry and its demands for little or no care. Practically ever-blooming, the new Bougainvillea Texas Dawn furnishes a blaze of color most of the year. See color illustration on back cover. These will be available July 1, 1952.

BOUVARDIA Albatross

This low growing shrub is the finest, white flowering bouvardia and is sweetly fragrant. The flower tubes are very long, and the petals are wide spreading. An improved humboldti.....	.15	.45

CHORIZEMA varium . Flame Pea Shrub Low growing, dense shrub with dark green, smooth edged leaves and showy sprays of pea shaped flowers in winter and spring. Flowers are bright orange-red and reddish purple. Sun.....	.15	.40

	2-in. Pot	1-Gal.	5-Gal.
CISSUS capensis (<i>Vitis capensis</i>). Evergreen Grape This semi-tropical, evergreen vine is definitely picturesque with its luxuriant, deep green foliage. It grows fast, covering a large area. Its beauty is enhanced by reddish-black, edible grapes. Creates the tropical effect needed for modern architecture.....	.20	.50	1.85
Cissus hypoglauca (<i>Vitis hypoglauca</i>) Fast growing, evergreen vine. Glossy leaves of 5 leaflets 4 inches long. Sharp-toothed17½	.45	1.85
Cissus rhombifolia (<i>Vitis rhombifolia</i>). Evergreen Grape For a foliage vine this is hard to beat. Glossy, rich green leaves of 3 leaflets set close along the twining stems. Used often as a pot plant for indoor decoration or outdoors in either sun or shade. Easy to grow.....1-gal. Bush Type—.40	.15	.45	1.85
CISTUS corbariensis (<i>C. hybridis</i>). White Rock Rose Small, free-flowering evergreen shrub. Soft ivory-white. Excellent for banks and windy locations.....	.15	.45	1.60
Cistus Doris Hibberson . Pink Rock Rose Attractive, compact, evergreen shrub with delicate, clear pink flowers. Will withstand much abuse. Especially adapted for sunny, dry locations20	.60
Cistus ladaniferus maculatus . Brown Eyed Rock Rose Low, spreading shrub with deep green, narrow foliage and covered with large, white flowers. Each petal shows a prominent, deep brown spot at the base. For dry soil and sun.....	.15	.45	1.60
Cistus purpureus . Orchid Rock Rose Compact, evergreen shrub with neat habits of growth. Flowers are rose-purple, with yellow base and maroon spots.....	.17½	.45	1.60
CITRUS calamondin . Philippine Lime Dwarf shrub with light green, small leaves, fragrant, white flowers followed by round, orange-red fruits 1½ inches in diameter. Makes an excellent marmalade. Most resistant to cold of any citrus.....	.20	.50	1.95
Citrus Meyer Lemon . Dwarf Lemon Perhaps the finest ornamental shrub of the citrus family. Makes a rounded, medium size shrub with excellent foliage and fragrant lavender to white flowers. Produces lemons of table quality almost the year round. Hardy.....5-gal. Espalier—\$4.50	.17½	.50	1.85
Citrus Rangpur Lime A splendid combination fruiting ornamental. Beautiful, orange-red fruits that are tangerine shaped. Dwarf.....	.17½	.50	1.80
CLEMATIS filifera A very attractive, evergreen vine having brilliant, dark purple, bell-shaped flowers throughout the entire summer. Grows in shade or full sun75
CLERODENDRUM bungei . Kashmir Bouquet Dwarf, spreading shrub with fairly large, deep green, toothed leaves and fragrant clusters of rose red flowers 4 to 8 inches across in ball shaped heads.....	.17½	.50	1.75
CLETHRA alnifolia rosea . Sweet Pepperbush Evergreen shrub or small tree, having a refined appearance. The dainty, fragrant flowers of clear pink are produced on long panicles60
Clethra arborea . Lily of the Valley Tree Large, evergreen shrub or small tree for partial shade. Leaves large, 4 inches long and deep green and leathery. Flowers in long panicles, each resembling Lily of the Valley.....	.17½	.50	1.95
COCCULUS laurifolius The glistening, green leaves which are heavily veined and its graceful, arching manner of growing make this hardy, evergreen shrub highly desirable17½	.50	1.75
CONVOLVULUS cneorum An erect, compact shrub obtaining a height of 2-3 feet. The leaves have a silver appearance. Small, white flowers are edged with pink. Requires considerable sun.....	.15	.45
Convolvulus mauritanicus Trailing perennial making compact mounds of grey green foliage and covered from spring to fall with inch-wide lavender blue flowers. For rockeries, hanging baskets, porch boxes, or the perennial border. Sun12	.35
COPROSMA baueri . Mirror Plant, Looking Glass Plant A medium size shrub planted mostly for the extremely glossy deep green foliage. Adaptable to all but the coldest areas.....	.12	.40	1.60

	2-in. Pot	1-Gal.	5-Gal.
COTONEASTER adpressa. Creeping Cotoneaster Low, spreading shrub with small attractive, bright green leaves. Practically evergreen. Red berries are produced in the fall.....	1.75
Cotoneaster apiculata Horizontally spreading shrub having red berries that are retained well into winter. Used for bank planting.....50	1.75
Cotoneaster glaucophylla (White Leaved Cotoneaster) A plant of varied uses. Its many small, gray-green leaves serve to give this plant a place in the garden as an accent shrub. It may be allowed to grow into its natural, graceful form or pruned into a very formal hedging15	1.75
Cotoneaster horizontalis (C. Davidiana). Rock Cotoneaster Low, spreading shrub with arching stems lined with small, round leaves. White flowers in spring are followed by bright red berries in fall and winter. In fall the leaves turn bright red. For the rock garden or as a bank cover in dry, sunny places.....	.15	.40	1.60
Cotoneaster microphylla. Rock Spray Small, evergreen shrub with small dark green shiny leaves. The small, white flowers are later followed by an abundance of bright red berries15	.40
Cotoneaster pannosa. Silverleaf Cotoneaster Medium size shrub with small, silvery-grey leaves with lighter undersides. White flowers followed by bright red berries in fall and winter. Grows well anywhere from coast to desert areas.....	.12	.40	1.60
Cotoneaster parneyi (C. lactea). Red Clusterberry Large growing shrub with luxuriant deep green foliage the year around. Brilliant red berries. Most popular cotoneaster and one of the finest shrubs for landscape planting. (See picture page 21).....	.12	.35	1.60

See Page 16 for Our Anniversary Ornamental Package

CROTALARIA agatiflora. Canarybird Bush Large shrub, foliage light green and long arching branches lined with chartreuse green and yellow flowers which resemble very closely "Canary Birds". Sun.....	.17½	.45
CUPRESSUS arizonica. Arizona Cypress Tall, narrow, pyramidal conifer with bluish-green foliage. Does well on the desert and also along the coast..... Flats—\$3.00	.12	.35	1.60
Cupressus forbesi. Forbes Cypress, Tecate Cypress Dark green foliage superior to Monterey Cypress and is replacing this species for hedges, etc., because of its immunity to the cypress fungus. Tall12	.35	1.60
Cupressus sempervirens glauca. Blue Italian Cypress This is the best Italian Cypress. Makes narrow dense column of dark, bluish-green foliage. Cutting grown from especially choice specimens to insure true type. This one is so superior that we do not offer other types17½	.50	1.85
CYDONIA japonica rosea (Chaenomeles rosea). Pink Flowering Quince Large, pink flowers appear in January, February and March on this deciduous shrub.....	.17½	.45	1.60
Cydonia japonica rubra (Chaenomeles rubra). Red Flowering Quince This is the earliest deciduous shrub to flower. In California, deep red flowers appear in January and February before the leaves appear. It has handsome, glossy foliage throughout the summer.....	.17½	.45	1.60
Cydonia japonica scarlet (Chaenomeles Scarlet) Unusual large, cup-shaped, bright scarlet flower on this deciduous shrub. Blooms midwinter in California.....	.17½	.45	1.60
DAPHNE odora marginata A very attractive, slow growing, compact shrub, that has glossy leaves edged with ivory, and the most sweetly fragrant flowers of waxy pink fading to white.....95	3.00

	2-in. Pot	1-Gal.	5-Gal.

Diosma reevesi . White Breath of Heaven Like the Pink Breath of Heaven with dark green foliage and star-shaped white flowers in spring. Sun. Not quite as hardy as the Pink Diosma15	.40	1.60
DISTICTIS lactiflora . Vanilla-scented Trumpet Vine Excellent vine for milder regions. The trumpet-shaped flowers of rich purple cover this vine most of the year. It also has a delightful vanilla fragrance3" pot—.35	.20	.50	1.95
Distictis Rivers . Royal Trumpet Vine (Plant Pat. No. 554) A most attractive trumpet vine having flowers with rich purple petals on a brilliant yellow tube. The leaves are large and glossy; the flowers are sweetly fragrant.....3", .4075
DRACAENA indivisa (Cordyline indivisa). Dracaena Palm Small tree of the lily family with leaves like yucca, long narrow sword-shaped and plumes of creamy white flowers when blooming. Used for desert or tropical effects. Sun.....	.12	.40	1.60
DURANTA stenostachya . Brazil Skyflower Medium to large shrub with arching branches covered with an attractive light green, glossy foliage and racemes of light blue flowers all summer. Sun or partial shade.....	.15	.40	1.60
ELAEAGNUS pungens . Silverberry A large spreading shrub that has its stems and leaves covered with frosty shiny scales. The large silver-bronze berries also have a frost-like tint15	.45
ERICA codonodes alba (E. lusitanica). White Heather An upright heather covered with lavish sprays of white, bell-shaped flowers in early spring. One of the hardiest heathers.....	.17½	.50	1.75
Erica Cruenta . Dwarf Scarlet Heather Distinctive, blood-red, tubular flowers produced on long spikes during fall and winter.....	.17½	.50	1.75
Erica hieliana (E. hyemalis). Orange-red Heather One of the showiest, flowering, evergreen shrubs for late winter and spring. Heath-like, dark green foliage and spikes of bright, red-dish-orange, tubular flowers each about an inch long. Low growing....	.17½	.50	1.75
Erica John McLaren . Pink Heather Of the same type as hieliana but flowers are a lovely shade of pink. Low, compact shrub. Blooms twice a year. (See picture page 23.).....	.17½	.50	1.75
Erica Mediterranea Hybrid Rose-lavender, bell-shaped flowers that bloom in winter and early spring are borne profusely along the branches.....	.17½	.50
Erica melanthera rosea . Pink Scotch Heather Medium to tall evergreen shrub with fine, billowy masses of tiny leaves and equally numerous rosy-pink flowers with black "eyes". Hardy. Plant in sun and well drained soil. Most popular heather.....	.17½	.50	1.75
Erica melanthera rubra . Red Scotch Heather Deep, rose-red flowers that bloom from October to February. Plant in sun and well drained soil. A very choice shrub.....	.17½	.50	1.75
Erica President Felix Faure . Pink Heather Very choice heather of the hieliana type with deep green foliage and long, tubular flowers of orchid-pink. Low and compact.....	.17½	.50	1.75
Erica regerminans Rose-pink, bell-shaped flowers produced in great quantities. A shrub requiring well-drained, slightly acid soil.....	.17½	.50
Erica regerminans rubra Very desirable because of the dense spikes of red flowers.....	.17½	.50
Erica vagans Mrs. D. F. Maxwell The mild, green, feathery foliage is enhanced by cone-like spikes of bright, tubular, rose-red flowers that appear in early spring. Upright, medium sized shrub. New and promising.....	.17½	.50
ERIOBOTRYA japonica . Loquat Small to medium size tree with large, dark green leaves making dense shade and pear shaped, yellow, edible fruits. A good subject for espalier work15	.40	1.60

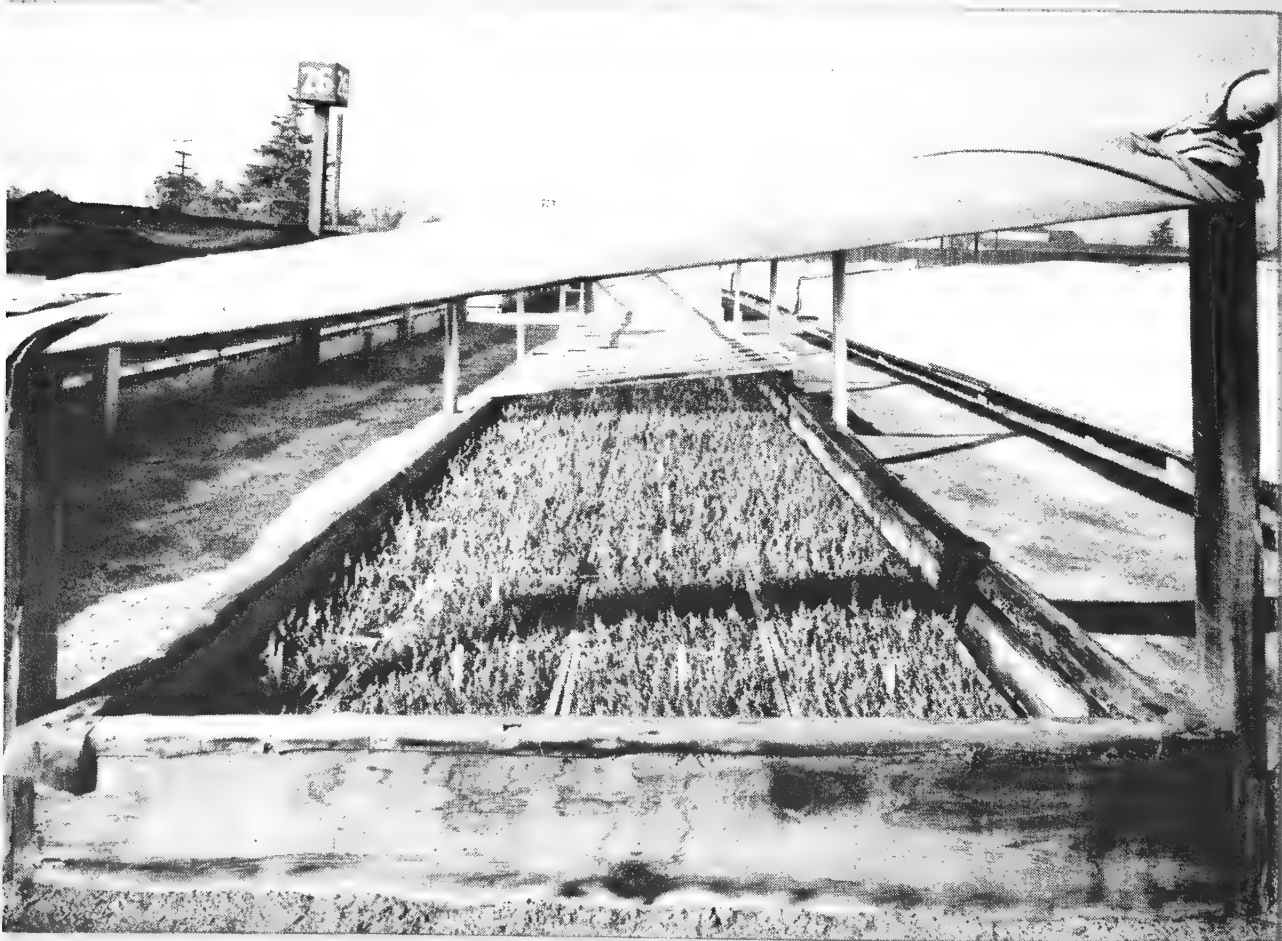

For this Anniversary Catalog, we've turned the photographer loose in our main growing grounds so that you may have some idea of our facilities to serve you. We hope, however, you will pay us a visit in the near future, when we can have the pleasure of greeting you and personally showing you around. Remember, to you, the welcome mat is always out at Monrovia Nursery.

ERYTHRINA bidwilli

A hybridized Erythrina resulting in exotic, red, bird-like flowers that bloom in the summer. The plant itself is very fascinating.....

2-in. Pot	1-Gal.	5-Gal.
.....	.75	2.25

Erythrina crista-galli. Coral Tree

Semi-deciduous, woody shrub with small trunk. Long spikes of pear shaped, brilliant red flowers.....

.17½	.45
------	-----	-------

ESCALLONIA C. F. Ball

An evergreen shrub with glossy, green leaves, bearing bright red flowers. A hardy shrub.....

.15	.40	1.60
-----	-----	------

Escallonia montevidensis

Medium to large, evergreen shrub with excellent, light green foliage and masses of single, white flowers in showy heads in summer. Very reliable shrub for landscape planting. Sun.....

.15	.40	1.60
-----	-----	------

Escallonia organensis

Regarded as one of the best of this fine family of evergreen shrubs. Medium size, very bushy and well clothed with narrow, bronzy green leaves and clusters of appleblossom-like flowers white and pink. Very free blooming. (See picture page 22.).....

.15	.40	1.60
-----	-----	------

Escallonia rubra. Red Escallonia

Medium to large, evergreen shrub with deep green, glossy foliage and clusters of bright red, tubular flowers with spreading petals. Makes an excellent specimen plant. Prefers shade.....

.15	.40	1.60
-----	-----	------

Escallonia Wm. Watson

A new, compact, evergreen shrub with especially distinct, ruddy-cerise flowers. Has the hardy, vigorous characteristics of all escallonias.....

.20	.50
-----	-----	-------

EUCALYPTUS caesia

A slender tree obtaining a height of 15 feet. Its weeping branches continually bear rose-pink flowers which contrast well with its silvery-gray foliage and white branches.....

.....	.75
-------	-----	-------

Eucalyptus citriodora. Lemon Scented Gum

Tall, strong growing tree with picturesque smooth trunks with peeling bark, long, pointed, lemon scented leaves and white flowers. Widely planted and characteristic of California landscapes.....

.15	.40	1.85
-----	-----	------

Eucalyptus ficifolia. Scarlet Flowering Gum

Small to medium sized evergreen tree, much used for street planting and as a specimen for the showy masses of bright red flowers. The leaves are dark green, pointed and leathery. We do our utmost to secure seeds from plants having the brightest red flowers, but variations will appear due to cross pollinization.....

.15	.40	1.85
-----	-----	------

Eucalyptus globulus. Blue Gum

Tall growing tree much used for windbreaks, etc. New foliage is bright blue green; mature leaves deep green.....

.....	.35
-------	-----	-------

Eucalyptus globulus compacta. Bushy Blue Gum

Dwarf, compact growing tree producing dense, blue-green masses of foliage. Used for background planting and windbreaks. Flats, \$3.50.....

.15	.35	1.60
-----	-----	------

Eucalyptus polyanthemos. Redbox Gum

A tall growing, open headed tree having handsome greyish-blue, leaves. Resistant to much frost and drought. The foliage is especially valuable for decorative purposes.....

.15	.40	1.85
-----	-----	------

Eucalyptus pulverulenta

Small tree with bluish foliage. Contrasts very well in any ornamental planting. Excellent for cutting and floral makeup.....

.15	.45
-----	-----	-------

Eucalyptus rostrata. Red Gum

A rapid grower with long narrow leaves. This tree endures much heat and drought.....

.15	.40	1.85
-----	-----	------

Eucalyptus rudis. Desert Gum

Tall growing tree suitable for desert areas.....

.15	.40	1.85
-----	-----	------

Eucalyptus sideroxylon rosea

Medium size tree with brownish red, rough bark and long, pointed, dark green leaves. Flowers in large clusters, pink. Profuse blooming.....

.15	.40	1.85
-----	-----	------

Eucalyptus viminalis. White Gum

A fast growing tree that sheds its bark leaving a smooth, white trunk. Has a widespreading crown with long, narrow-leaved branchlets.....

.15	.40	1.85
-----	-----	------

EUGENIA Armstrong (Pat. Pending)

2-in. Pot 1-Gal. 5-Gal.

A compact grower with green, glossy leaves, suitable for colder climates. Will fit many garden spots unsuited for the older and larger growing *Eugenia myrtifolia*. Requires very little pruning. Introduced by Armstrong Nurseries. Limited quantity.

3" pot.....\$.50

Eugenia myrtifolia (E. *Paniculata Australis*). Brush Cherry

Close growing, evergreen shrub or small tree much used in landscape planting for clipped hedges or as tall clipped pyramids for accent. Leaves dark, bronzy green, new growth red; flowers fluffy, white followed by red berries.....Flats, \$3.50

.15 .35 1.75

EUONYMUS japonicus. Green Euonymus

Medium size shrub with rounded, glossy, evergreen leaves. Will stand shearing well. Hardy.....

.15 .35 1.60

Euonymus japonicus aureo-marginatus. Golden Euonymus

Dwarf, compact growing, evergreen shrub. Rounded leaves dark green with an irregular bright golden margin.....

.15 .40 1.60

Euonymus japonicus aureo-variegatus. Golden Variegated Euonymus

Leaves yellow in the center with a dark green margin. Medium sized shrub.....

.15 .40 1.60

Euonymus japonicus grandifolia

Very similar to the *Euonymus japonicus* except that the leaves are much larger. This shrub can withstand the most varying temperatures.....

.15 .40 1.60

Euonymus japonicus microphyllus (E. *Pulchellus*)

A very desirable dwarf growing euonymus which is suitable for small hedges.....

.15 .40

Euonymus Silver Queen

Foliage very attractive with rounded leaves of light green surrounded with a silver margin. Medium size.....

.15 .40 1.60

See Page 16 for Our Anniversary Ornamental Package

FATSHEDERA Lizei. Botanical Wonder

A bigeneric hybrid between *Fatsia* (Aralia) and *Hedera*. Semi-climbing and large, glossy leaves similar to *hedera*. Makes a good subject for espalier on walls in shade or partial shade.....

.20 .50 1.75

FEIJOA Pineapple Gem

A grafted Pineapple Guava that is unsurpassable in fruit, flower and foliage. The fruit is larger, more colorful and more juicy and with a definite pineapple flavor. Its silvery green foliage and large, red flowers in spring make it a showy specimen.....

..... 2.50

Feijoa sellowiana. Pineapple Guava

Fast growing, tall, evergreen shrub with grey-green foliage and waxy, white flowers with bright red central cluster of stamens. Fruits pale green, edible.....

.12 .40 1.60

FICUS nitida. Indian Laurel

Very refined plant having thick, rubbery leaves. Fine for patios and parkways. Easily trimmed into desirable shapes.....

.17½ .50 1.75

Ficus repens (F. *pumila*). Creeping Fig

Close growing, clinging, evergreen vine. Leaves rounded, about 1 inch long. For sun or partial shade.....

.15 .40

FORSYTHIA intermedia. Golden Bells

Bright, golden-yellow flowers are produced in the spring. This is a rapid growing shrub with pendulous branches. It requires considerable space for growing as it must be left to grow naturally to attain its greatest beauty.....

.15 .40 1.60

FRAXINUS Uhdei. Shamel Ash

Medium size, slender, evergreen tree excellent for street planting or as a shade tree because of its clean habit. Leaves long, glossy green. Introduced from Mexico.....

.15 .45 1.85

FREMONTIA mexicana. San Diego Fremontia

A large, native shrub with gray-green foliage. During the winter season it is covered with large glistening orange-yellow flowers. Hardy.....

..... .75

GARDENIA citriodora

A splendid evergreen shrub with dark green, leathery leaves. Grows very compact. Its clusters of small white flowers are sweetly scented like lemon blossoms.

Gardenia Mystery

The demand is continually on the increase for this truly superior shrub. Glossy, green leaves, bushy and compact, it produces large, creamy-white, fragrant flowers during spring and summer. Prefers the sun and slightly acid soil. (See picture page 24.)

Gardenia veitchii. Everblooming Gardenia

Profuse blooming gardenia with foliage and flowers smaller than that of Mystery, compact shrub. For sun or partial shade and acid soil

GELSEMIUM sempervirens. Carolina Jessamine

Evergreen, twining vine. Foliage luxuriant, light green. Flowers trumpet shaped, yellow and fragrant, making quite a show in late winter. Excellent ground cover

GENISTA racemosa (Cytisus racemosus)

Popular, compact shrub doing equally well along the coast or inland. Its golden flowers add considerable color in late spring. An improvement over Genista fragrans—more compact

GINKGO biloba. Maidenhair Tree

A very tall-growing, spreading tree having light green, strangely dissected leaves, not easily affected by disease, dust, or smoke. The leaf pattern on this tree makes it different

GREVILLEA robusta. Silk Oak

Tall tree making a narrow, columnar head of fern-like, dark green leaves and candelabras of bright, orange-yellow flowers in spring. This is the tree shown on Chinese pottery

GREWIA asiatica Espalier

Fast growing, natural espalier plant with light green foliage. Lavender, star-shaped flowers with yellow centers are in bloom a great part of the year

GUAVA Red Strawberry (Psidium cattleianum)

Medium size, evergreen shrub bearing clusters of small, round, dark red fruits. Used in making jellies

Guava Yellow Strawberry Improved

This large, glossy-leaved, evergreen shrub is not only important for its beauty as an ornamental, but is in great demand for its edible, strawberry-flavored fruit. The bush is compact and the large, glossy leaves give it that "tropical look" that is demanded in modern architecture

HARDENBERGIA comptoniana. Vine-Lilac

A fast growing vine having slender, lacy leaves with deep blue flowers

HEDERA canariensis (H. Maderensis)

Particularly adapted to warm climates. Dark green, unusually large, leathery leaves make this evergreen vine most highly desirable. Can be used to cover masonry walls or used as a ground cover in partially shaded places

Hedera canariensis variegated (Variegated Algerian Ivy)

Like the Hedera canariensis, but its leaves are a creamy-white and green, beautifully variegated. An evergreen vine that is especially vigorous

Hedera Hahns

This compact growing ivy finds much use in planter boxes because of its somewhat restricted growth habit. It may be used as a bed edging or ground cover in patio work where its dark green foliage creates a restful effect

Hedera helix. English Ivy

Dark green, leathery leaves, but smaller than the Hedera canariensis. It is not only used as a vine and a ground cover, but may be clipped as a low, formal hedge on a support. Quite hardy

HELIANTHEMUM lasianthum (Halimium lasianthum). Sun Rose

Small, evergreen shrub very suitable for semi-arid regions, can be used for border plantings or ground cover. The foliage is a gray-green; the flowers are yellow blotched with a purple base. Blooms most of year

HELIOTROPE Black Beauty (Heliotropium arborescens)

Highly fragrant, deep purple flowers. Plant has unusually dark green foliage

	2-in. Pot	1-Gal.	5-Gal.
GARDENIA citriodora			
A splendid evergreen shrub with dark green, leathery leaves. Grows very compact. Its clusters of small white flowers are sweetly scented like lemon blossoms.60
Gardenia Mystery			
The demand is continually on the increase for this truly superior shrub. Glossy, green leaves, bushy and compact, it produces large, creamy-white, fragrant flowers during spring and summer. Prefers the sun and slightly acid soil. (See picture page 24.)	.17½	.50	1.85
Gardenia veitchii . Everblooming Gardenia			
Profuse blooming gardenia with foliage and flowers smaller than that of Mystery, compact shrub. For sun or partial shade and acid soil	.17½	.50	1.85
GELSEMIUM sempervirens . Carolina Jessamine			
Evergreen, twining vine. Foliage luxuriant, light green. Flowers trumpet shaped, yellow and fragrant, making quite a show in late winter. Excellent ground cover	.17½	.45	1.85
GENISTA racemosa (Cytisus racemosus)			
Popular, compact shrub doing equally well along the coast or inland. Its golden flowers add considerable color in late spring. An improvement over Genista fragrans—more compact	.15	.40	1.60
GINKGO biloba . Maidenhair Tree			
A very tall-growing, spreading tree having light green, strangely dissected leaves, not easily affected by disease, dust, or smoke. The leaf pattern on this tree makes it different	.20	.60
GREVILLEA robusta . Silk Oak			
Tall tree making a narrow, columnar head of fern-like, dark green leaves and candelabras of bright, orange-yellow flowers in spring. This is the tree shown on Chinese pottery	.12	.40	1.85
GREWIA asiatica Espalier			
Fast growing, natural espalier plant with light green foliage. Lavender, star-shaped flowers with yellow centers are in bloom a great part of the year	.17½	.45	1.75
GUAVA Red Strawberry (Psidium cattleianum)			
Medium size, evergreen shrub bearing clusters of small, round, dark red fruits. Used in making jellies	.12	.40	1.60
Guava Yellow Strawberry Improved			
This large, glossy-leaved, evergreen shrub is not only important for its beauty as an ornamental, but is in great demand for its edible, strawberry-flavored fruit. The bush is compact and the large, glossy leaves give it that "tropical look" that is demanded in modern architecture	.12	.40	1.60
HARDENBERGIA comptoniana . Vine-Lilac			
A fast growing vine having slender, lacy leaves with deep blue flowers50	1.85
HEDERA canariensis (H. Maderensis)			
Particularly adapted to warm climates. Dark green, unusually large, leathery leaves make this evergreen vine most highly desirable. Can be used to cover masonry walls or used as a ground cover in partially shaded places	.15	.45	1.85
Hedera canariensis variegated (Variegated Algerian Ivy)			
Like the Hedera canariensis, but its leaves are a creamy-white and green, beautifully variegated. An evergreen vine that is especially vigorous	.15	.45	1.85
Hedera Hahns			
This compact growing ivy finds much use in planter boxes because of its somewhat restricted growth habit. It may be used as a bed edging or ground cover in patio work where its dark green foliage creates a restful effect	.15
Hedera helix . English Ivy			
Dark green, leathery leaves, but smaller than the Hedera canariensis. It is not only used as a vine and a ground cover, but may be clipped as a low, formal hedge on a support. Quite hardy	.15	.45	1.85
HELIANTHEMUM lasianthum (Halimium lasianthum). Sun Rose			
Small, evergreen shrub very suitable for semi-arid regions, can be used for border plantings or ground cover. The foliage is a gray-green; the flowers are yellow blotched with a purple base. Blooms most of year	.15	.40
HELIOTROPE Black Beauty (Heliotropium arborescens)			
Highly fragrant, deep purple flowers. Plant has unusually dark green foliage	.15	.40

HIBISCUS

For your many customers who love the colorful, graceful beauty of exotic Hibiscus, Monrovia Nursery has a selection that is as broad in variety and range of colors as it is fine in quality. Grown at our special sub-tropical grounds, every plant receives the care that pays off in added vigor. In ordering, remember—modern planting is increasing in demand for these plants!

	2-in. Pot	1-Gal.	5-Gal.
Agnes Gault. The enormous, velvety, shrimp-pink, single flowers are the largest and showiest of all pink hibiscus. A vigorous growing, free-blooming shrub17½	.45	1.60
Brilliant (San Diego Red). Really an old favorite. Its vivid, crimson-red, single flowers are produced profusely most of the year. Its attractive, deep green foliage makes a good hedge.....	.17½	.45	1.60
Butterfly. Large, single yellow flowers with bright green foliage. A very heavy bloomer.....	.17½	.45	1.60
California Gold. A rich, single, gold color shading into carmine-orange toward the center. A good grower and profuse bloomer. (See picture page 50.)17½	.45	1.60
Crown of Bohemia. The most popular of all hibiscus. It combines all the colors of autumn in the large, double flowers which are produced most of the year. Rich golden base tones with blends of copper and orange. The foliage is very beautiful.....	.25	.60	1.75
Kamapuaa. Large, single, yellow-cerise flowers overlaid with coral and amber and edged with gold. Foliage is especially large and attractive17½	1.60
Kate Sessions. One of the largest singles. Velvety, amber-pink flowers with large overlapping petals having a crepe-like appearance.....	.25	.60	1.75
Kauai. A large, windmill type, single, rose pink. This hibiscus produces unusually good flowers during the winter season. A strong, rapid grower17½	.45	1.60
Kona (Double Agnes Gault). This is such a favorite, being the double counterpart of Agnes Gault, in the same delightful shade. Fully double in a graceful manner and more free blooming than most doubles. Splendid foliage17½	.45	1.60
Mme. Chiang Kai-shek. A beautiful, double, blush ivory-pink with yellow undertones. One of the hardiest of hibiscus.....	.17½	.45	1.60
Mrs. Lowery. Large, ruffled, apricot flowers shading into tones of cerise toward the center.....	.25	.60	1.75
Paradise Moon. Attractive and unusual, bright yellow, single flowers having snow white centers. This hibiscus is a compact grower.....	.35	1.00
President. A magnificent, scarlet, single flower with overlapping petals. Blooms profusely and is a very strong grower.....	.17½	1.60
Purity. Large, pure white, fragrant flower. Petals not overlapping, but yet very full. A compact and vigorous grower.....	.17½	.45	1.60
Red Monarch. Huge, double rosette shaped flowers of a deep crimson25	.60	1.75
Royal Red. Flowers are large, single, scarlet shaded crimson. Good foliage25	.60	1.75
Ruby Red. Beautiful, double, bright red flowers. Very profuse bloomer. One of the most hardy hibiscus. Leaves are a bright, glistening green17½	.45	1.60
The Bride. One of the most popular of the hibiscus. Large, single, crepe-like textured, somewhat overlapping petals. The color of the flower is very unusual in that it opens a frosty white, but within a few hours it takes on a blush pink tint. The plant is a vigorous grower.....	.25	.60	1.75
Waimea. A fragrant hibiscus—white and single with slightly carmine tinted throat. Almost tulip-shaped in form. A bushy, compact grower17½	.45	1.60
White Wings. Large windmill type flowers with white petals and carmine throat. Quite hardy and free blooming. Unusually fine foliage with spreading graceful habit.....	.17½	.45	1.60

HIBBERTIA volubilis. Gold Guinea Vine

A rich, luxuriant, semi-tropical vine. Large, gold-colored, single flowers create a fascinating contrast against the deep green leaves. One of the most popular vines.....

.17½ .45 1.85

HOLMSKIOLDIA sanguinea. Chinese Hat Plant

The beautiful, long clusters of bright red flower-bracts are produced most of the year. Often used for Christmas decorations. Can be trained to grow flat against walls. Prefers plenty of sunshine and water

..... .50

HOYA carnosa. Wax Vine

A tropical climber with perfect, waxy-white flowers with pink centers. Its thick, succulent-looking leaves require shade and much moisture

Photinia serrulata nova. Compact Chinese Photinia One of the best, large, evergreen, compact shrubs. Its large, dark green, thick, shining leaves are especially good looking the whole year. During the fall many leaves turn red which enhances the shrub. In the spring it is covered with long heads of white flower clusters.....60	1.75
PIERIS japonica (Andromeda). Lily-of-the-Valley Shrub This hardy, evergreen shrub may be used in partial to very dense shade. Flowers are white and grow in graceful clusters up to six inches long. An excellent plant for foundation planting in shaded areas. Requires moist but well drained soil.....75
PINUS canariensis. Canary Island Pine Tall, slender pine tree making rapid growth. Long needles in large tufts make this a fine specimen. New growth silvery blue.....	.15	.40	1.60
Pinus halepensis. Aleppo Pine A fast growing pine recommended for dry locations. Needles bright green15	.40	1.60
Pinus pinea. Italian Stone Pine Tall growing tree with long, spreading branches; forming in older trees a broad, flat-topped head. A tree of picturesque habit.....	.15	.40	1.60
Pinus radiata (Pinus insignis). Monterey Pine Fast growing pine for quick effects. Very bushy when young. Bright green needles. Makes a medium size picturesque tree when older.....	.15	.40	1.60
PITTIOSPORUM crassifolia A large, evergreen shrub or small tree. Foliage a gray-green and should be pruned to make the plant more compact. Excellent for screens and does well in sandy soils. Unaffected by salt winds.....40
Pittosporum eugenioides. Tarata Pittosporum Large shrub or small tree with light green foliage. This is the best substitute for Eugénias in areas subject to frost.....	.15	.40	1.60
Pittosporum heterophyllum A spreading shrub excellent for bank planting. The foliage is light green. Drought resistant.....	.15	.40
Pittosporum nigricans (P. tenuifolia) Very similar to eugenoides except that the foliage is darker. The stems are dark brown, almost black. Hardy.....	.15	.40	1.60
Pittosporum rhombifolium. Diamondleaf Pittosporum Large shrub or small tree with attractive, light green foliage, white flowers followed by orange berries.....	.15	.40	1.60
Pittosporum tobira Dense growing, evergreen shrub of medium to large size, more spreading than tall. Leaves long and narrow with rounded ends dark shiny green. Fragrant white flowers. Hardy.....	.12	.35	1.60
Pittosporum tobira variegata Similar to the above but dwarfer in habit and foliage a pleasing combination of light green and white variegated leaves.....	.17½	.45	1.75
Pittosporum undulatum. Victoria Box Large shrub or small tree with rich green, pointed leaves with wavy edges; fragrant, creamy-white flowers followed by orange berries. Very desirable for screen and parkway planting.....	.12	.40	1.60
5-gal. Standards.....			\$1.95

LONICERA HILDEBRANDIANA
(See page 57)

PLATANUS racemosus. California Sycamore

Tall growing, exceedingly picturesque with its branches gnarled and twisted, and its large leaves make a pleasing contrast with the irregular mottled white trunk and stems. Deciduous. Very indifferent to soil and moisture.

PLEROMA grandiflora (Tibouchina elegans). Princess Flower

Large, evergreen shrub with bronzy green, velvety leaves, and huge, colorful, purple flowers, rich and velvety, about 3 to 4 inches across. Somewhat tender to frost.

PLUMBAGO. See also Ceratostigma.

Plumbago capensis. Blue Cape Plumbago

Semi-climbing shrub of most desirable habit either at the sea coast or desert. Its clusters of pink phlox-like, blue flowers provide color all summer. Utmost care is taken in selecting seeds from plants having the deepest blue flowers but variations may appear due to cross pollinization

Plumbago capensis alba. White Plumbago

Similar in growth to blue plumbago listed below but flowers are white

PODOCARPUS elongatus

Beautiful, evergreen trees with long yew-like leaves having irregular structure and branchlets. The dark, blue-green leaves are soft and narrow

Podocarpus macrophylla

One of the finest, evergreen, specimen shrubs. Often trained by slight pruning to make a tall, slender column of deep green narrow leaves. Stands considerable shade or light sun. Will grow as a tubbed plant indoors, as in hotels, etc.

POINCIANA gilliesii

Shrub or small tree with many, small leaves. Attractive, yellow flowers with long, red stamens.

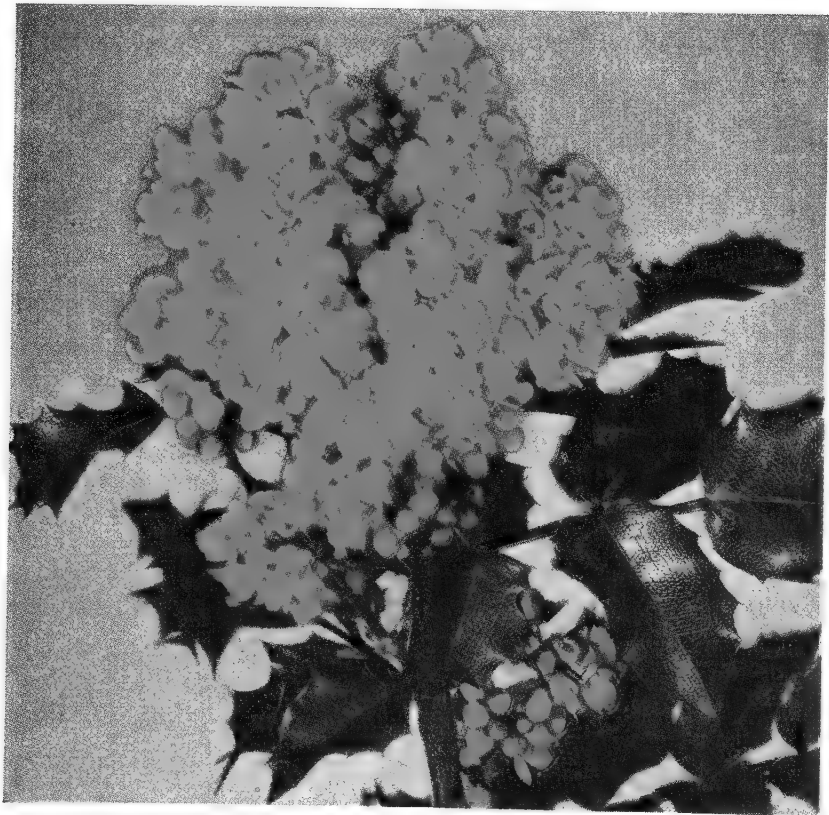

POINSETTIA Henrietta Ecke. Double Poinsettia

The finest of the double flowering poinsettias. Produces large heads of brilliant red flowers around Christmas and for a considerable time thereafter. Cut back to 1 foot after flowering. Give full sun and good soil

Bare-rooted, 1 yr.
Seedlings, \$.06

POLYGALA dalmaisiana. Sweetpea Shrub A small to medium size shrub, evergreen with almost continuous flowering habit. Leaves small, light green, like box but pointed, dense and covered with orchid-like purple flowers. Prefers a dry soil. Useful in the foundation planting.....	.15	.40	1.60
POLYGONUM auberti. Silver Lace Vine Hardy, climbing, twining vine much used on arbors, fences, etc., where the mass of slender stems and light green foliage makes a fine cover and plumes of tiny white to pinkish flowers last for a long time. Full sun. Not particular to soil.....45	1.85
PONTENTILLA fruticosa. Gold Drops This charming, small shrub is compact in growth and has a mass of golden buttercup-like flowers all summer. Its small fern-iike leaves are equally beautiful.....	.17½	.50
PRUNUS carolinana. Carolina Cherry Large shrub for background planting or a small tree with dark, glossy, green foliage. Very nice in habit, white flowers followed by small, dark berries.....5-gal. Standard—\$2.50	.15	.40	1.60
Prunus integrifolia (P. lyoni). Catalina Cherry Large, slow growing shrub or small tree with light green, spiny toothed foliage; white flowers and purple fruits.....	.17½	.45	1.75
Prunus jacquemonti. Jacquemont Cherry The branches are filled with single, pink blooms in the spring followed later by sweet, tasty cherries. Height 4-6 feet.....	.17½	.50	1.60
Prunus Laurocerasus. English Laurel Large shrub with heavy, rich green foliage. Can be sheared into specimen plants or tall hedges. Leaves broad and glossy. Hardy. Will not grow in alkaline soil.....	.17½	.40	1.60
Prunus lusitanica. Portuguese Laurel Evergreen shrub much like English laurel but leaves darker green, narrower and toothed. Hardy, compact growing.....	.17½	.45	1.75
PUNICA Chico. Dwarf Carnation Flowered Pomegranate One of the finest dwarf shrubs on our list. Deciduous but close growing, round in outline, 1 to 2 feet high. Leaves light green; flowers like bright red carnations in summer.....	.20	.50	1.75
Punica granatum nana. Dwarf Pomegranate Dwarf, compact and bushy shrub. Deciduous, slightly taller than Chico, producing single red flowers and abundant fruits of ornamental value only.....	.12	.35

MAHONIA AQUIFOLIUM (See page 57)

PYRACANTHA ROSEDALE

(Trade Mark Registered)

Never before have we known a shrub to win the heart of the public as completely and quickly as Pyracantha Rosedale. Introduced by us only a few years ago, today it leads all others in sales. Loveliest of them all, Pyracantha Rosedale begins its beauty show in the spring with long, arching sprays of dainty ivory-white flowers that resemble delicate lace. These are highlighted by dark, rich green foliage. In the fall and through winter, the branches are literally laden with large berries of the darkest red of any pyracantha. One of the reasons for the wide preference for this shrub is its many uses. It gracefully lends itself as a specimen for unusual display . . . trained as an espalier against wall or fence or grouped into a brilliant hedge. Add to all these exclusive features the fact that Pyracantha Rosedale possesses a great resistance to disease and birds and you will understand the reasons for its powerful sales appeal. Pyracantha Rosedale is illustrated on the cover of this catalog. It must always be sold with Trade Mark tags attached.

PYRUS KAWAKAMI (Described below)

PYRUS kawakami. Evergreen Pear

May be grown as a small tree, a large shrub or very effectively espaliered. The glossy luxuriant foliage is handsome the year around. In the spring it's a mass of fragrant white flowers. Grafted

5-gal. Candelabra Espalier.....\$4.50

RAPHIOLEPIS indica rosea. Indian Hawthorn

An excellent compact growing shrub that never becomes ungainly. The leaves are bright, shiny green. This variety is grafted to insure the production of the long, graceful, pink flower clusters.

Raphiolepis ovata. Round-leaf Raphiolepis

Medium to large evergreen shrub with rounded dark green leathery leaves of medium size; clusters of fragrant white flowers and black berries. Hardy in sun or shade.

REINWARDTIA indica (Linum flavum). Yellow Flax

Dwarf compact shrub with clean light green foliage resembling phlox and bearing clusters of bright yellow flowers. Sun. 1 to 2 feet

RHAMNUS alaternus. Italian Buckthorn

A large evergreen shrub or small tree, with appealing dark green heavy leaves. Deep blue berries appear in the fall. Often used as a hedge

Rhamnus Californica. Coffee Berry

Large evergreen shrub with excellent growing habits. Quantities of large red berries are produced in late summer which vary from yellow to deep red. Native of California foothills.

RHUS cotinus (Cotinus coggygria)

A handsome small tree that is covered with feathery panicles of small purplish-gray flowers in the summer and fall. The flowers give the effect of a dense cloud of smoke. The leaves become rich gold and red in the fall. Deciduous

Rhus integrifolia. Lemonade Berry

Attractive slate-green leathery leaves on spreading shrub or small tree. It bears orange berries that will make a passable lemon-flavored drink

RHYNCHOSPERMUM jasminoides (Trachelospermum jasminoides). Star Jasmine	2-in. Pot	1-Gal.	5-Gal.
Strong growing vine with deep green leathery foliage. Thrives equally well in sun or shade. Its very fragrant star shaped flowers appear in spring and early summer.....	.17½	.45	1.60
1-gal. Staked.....\$.50 5-gal. Staked.....\$1.85			
RONDELETIA cordata. Jungle Queen			
Dense growing shrub. Flowers waxy pink, so perfect they resemble artificial flowers. Leaves thick, shiny green and leathery, medium in size. A most attractive foliage all year around.....	.17½	.45
ROSMARINUS officinalis. Rosemary			
Medium to tall evergreen shrub with aromatic foliage. Often listed in the culinary herbs. Leaves narrow, deep green with white undersides and light lavender to white flowers.....	.15	.40	1.60
Rosmarinus prostratus			
A charming small spreading evergreen shrub with aromatic leaves producing pale blue flowers. Used as a ground cover or to drape over walls.....	.15	.40
SALIX purpurea nana (Dwarf). Blue-green Willow			
A charming low-growing willow greatly used for edgings. Easy to grow and will withstand the lowest temperatures in this country. The foliage is a blue-green. Can be pruned for formal effects or left natural.....	.17½	.50
SALVIA pitcheri. Blue Salvia			
Hardy Perennial growing 2 to 2½ feet high with greyish green foliage and showy deep blue flowers. Very showy and useful for cutting.....	.15	.45
SAXIFRAGA rubicunda			
A small perennial evergreen plant for shade, having attractive dark green glossy leaves. Clusters of pink-orchid flowers appear in winter and early spring.....	.17½	.45
SCHEFFLERA actinophylla			
This member of the very useful Aralia family may be used for indoor planting while young, because of its pendulous, glossy, green foliage. For patio use, this plant will become a lovely small evergreen tree with graceful habit of growth.....60
SCHINUS molle. California Pepper Tree			
Medium to large round headed hardy tree. Graceful weeping branches and feathery foliage. Insignificant flowers followed by tiny bright red or coral colored berries.....	.15	.40	1.85
Schinus terebinthifolia. Brazilian Pepper Tree			
Medium size tree. Leaves larger and darker green; berries red. A more refined tree than molle and should be more widely planted.....	.15	.40	1.85
SEQUOIA gigantea. Giant Sequoia			
The "Big Tree" of the Sierras. Attractive, neat-looking blue-green foliage, forming a perfect cone as it grows. Grows slowly.....	2.50
Sequoia sempervirens. Coast Redwood			
Tall, narrow evergreen tree producing a straight trunk with reddish bark and narrow spreading deep green foliage. Fast growing, hardy conifer.....	.17½	.45	1.85
SERISSA foetida variegatus			
A small shrub with very desirable, compact variegated foliage. Refined for planting when space is restricted. Excellent for dish gardens.....	.15	.40	1.60
SILVER LACE VINE. See Polygonum.			
SOLANDRA guttata. Cup of Gold			
A strong evergreen vine with huge yellow flowers striped with purple. The large glossy green leaves give the plant a tropical appearance.....3" pot—.30	.20	.50	1.85
SOLANUM Rantonetti improved. New Blue Solanum			
Medium to large free blooming evergreen shrub or vine. Flowers are interesting cart-wheel pattern, an inch across in deep blue with bright orange hub.....	.15	.40	1.60
Solanum jasminoides. Potato Vine			
This fast growing vine which blooms most of the year produces quantities of white flowers that are tinted with a sky blue color. Grows vigorously and prefers sun.....	.15	.45

VIBURNUM TINUS ROBUSTUM (See page 70)

	2-in. Pot	1-Gal.	5-Gal.
SOLLYA heterophylla. Australian Blue-bell Trailing shrub or creeping vine useful as a ground cover, as a low shrub or even as a low hedge. Foliage small, dark green leaved and small blue bell shaped flowers.	.17½	.45	1.60
SOPHORA secundiflora. Mountain Laurel Evergreen shrub or small tree that bears violet-blue flowers during February to April. Flowers have a violet fragrance. The silvery-gray pods open to show the red seeds late in the fall.	.20	.60
SPARTIUM junceum. Yellow Spanish Broom Many bright green slender branchlets almost devoid of leaves. Produces yellow flowers most of the year. Thrives on the desert or at the seashore	.15	.40	1.60
SPIRAEA Anthony Waterer. Dwarf Pink Spiraea Dwarf deciduous shrub about 2 feet tall, with compact growth and flat heads of rosy-pink flowers. Full sun.	.15	.40	1.60
Spiraea prunifolia. Shoe Button Spiraea A comparatively small shrub, seldom growing more than 4 to 5 feet. It is of spreading, upright growth with graceful branches which are wreathed in early spring with double white flowers along the stems. Deciduous	.15	.40
Spiraea reevesiana (S. cotoniensis). Double Bridal Wreath Deciduous shrub to 5 feet with arching branches covered with a profusion of clusters of double white flowers in spring. Hardy	.15	.40	1.60
Spiraea van houttei All over the country in spring, blooming spiraea is widely planted and relished for the festoons of tiny white single flowers that clothe the arching branches in spring. Hardy	.15	.40	1.60
STEPHANOTIS floribunda A twining vine with leathery shiny leaves and pure white fragrant waxy flowers.....3" pot—	.40		

THUJA ORIENTALIS AUREA NANA (See page 69)

	2-in. Pot	1-Gal.	5-Gal.
STERCULIA diversifolia (Brachychiton populneum). Bottle Tree			
A dense, erect, conical tree to medium height. The leaves will vary in shape. The trunk is smooth and swollen at the base—similar to a bottle. Excellent tree for arid regions.....	.17½	.45
STIGMAPHYLLON ciliatum . Yellow Orchid-vine			
Bright yellow flowers of crepe-like texture produced in clusters. Very attractive. An evergreen vine that needs protection from hot and dry winds17½	.45	1.85
Stigmaphyllon littorale			
Golden flowers of crepe-like texture very similar to ciliatum—but the foliage is entirely different. Leaves are much larger and heavier. A very desirable evergreen vine that creates a tropical effect.....	.17½	.45	1.85
STRELITZIA reginae . Bird of Paradise			
The flowers have realistic bird-like heads in orange, blue, and purple, that bloom during the fall and winter. Large banana-like leaves, leathery and tropical looking.....	1.00
SYRINGA persica Hathaway			
An attractive lilac having long dense clusters of fragrant lavender flowers in early spring. This originated at the Hathaway Nurseries, Visalia, California17½	.50	1.75
Syringa persica laciniata . Cutleaf Persian Lilac			
The most reliable lilac for planting in southern California. Deciduous shrub to 6 feet with finely cut light green leaves and long sprays of bright lavender lilac flowers in spring. Fragrant.....	.15	.40	1.60
Syringa rothomagensis (S. Chinensis)			
Unusually large purple blossoms are borne profusely in the spring. This was hybridized in France in the 18th Century between varieties of persica and vulgaris. Attains a height of approximately 12 inches. Very popular15	.40	1.60
TABERNAEMONTANA			
A tropical shrub or small tree used for unusual plantings. Its fragrant yellow flowers are followed by berries in the summer. 3-in., \$.40			

	2-in. Pot	1-Gal.	5-Gal.
TAMARIX hispida coolidgei. Pink Tamarix Much planted in desert areas for the drouth and heat resisting ability of this shrub. Large in size with plummy light green scale-like leaves and billowy masses of pink flowers.....	.15	.40	1.60
TECOMA australis (Pandorea pandorana) Evergreen vine with yellowish-white flowers spotted with purple. Funnel shaped flowers.....	.17½	.50
Tecoma Capensis (Tecomaria capensis). Cape Honeysuckle Free growing large shrub or vine with glossy green pinnate leaves and brilliant clusters of orange-red trumpet shaped flowers most of the year. Easy to grow and quite hardy.....	.15	.40	1.60
5-gal.—Staked.....			\$1.85

WEIGELA BRISTOL RUBY
(Plant Pat. No. 492) (See page 70)

	2-in. Pot	1-Gal.	5-Gal.
Tecoma jasminoides rosea (Pandorea jasminoides rosea). Two-toned Trumpet Flower Delicate climbing evergreen vine. Light green foliage and large clusters of light pink flowers with deep crimson throats. For sun or partial shade17½	.50	1.85
TEUCRIUM chamaedrys Especially adapted to heat and drought, this very procumbent shrub, having glossy leaves and reddish-purple flowers during summer, makes an excellent border plant.....	.15	.40	1.60
THUNBERGIA erecta An erect evergreen shrub having dark green leaves and blue flowers with a yellow throat.....	.17½	.50
Thunbergia gibsoni This vine is outstanding for its abundant and effective rich orange flowers. Grows fast and blooms most of the summer.....	.20	.50
Thunbergia grandiflora . Blue Sky Vine Twining evergreen vine making a lush rapid green cover with large sky-blue trumpets with white throats. Flowers in large clusters are quite showy. For sheltered locations. Sun.....	.17½	.50	1.85
THUJA occidentalis pyramidalis . American Pyramidal Arborvitae Very valuable for landscaping. Extremely well adapted for colder areas. Compact formal outline.....	.17½	.50	1.85
Thuja orientalis aurea nana . Dwarf Golden Arborvitae, Berckman's Golden Arborvitae Most popular dwarf arborvitae. Slow growing, dense and shaped like a pointed globe. Fern-like branchlets bright golden yellow all year around. Full sun. Hardy. (See picture page 67.).....	.20	.50	1.85
3-in. pot.....\$.35. Field Grown BB 18-24".....\$2.00; 24-30".....\$2.50			
Thuja orientalis bakeri A compact growing pyramidal arborvitae. Foliage has a light green color. Very good as a taller accent conifer. Better for hot dry locations 3 in. pot.....\$.35 Field Grown BB 30-36".....\$2.25	.17½	.50	1.85
Thuja orientalis beverlyensis . Beverley Hills Arborvitae Slender growing conifer with bright golden yellow foliage.....	.20	.50	.185
3-in. pot.....\$.35 Field Grown BB 2-3'.....\$1.85; 4-5'.....\$3.00			
Thuja orientalis Blue Cone Upright, pyramidal thuja with especially compact foliage having a blue cast that harmonizes well with other foliage.....	.17½	.50	1.85
3-in. pot.....\$.35 Field Grown BB 30-36".....\$2.50			
Thuja orientalis Blue Spire . Blue Column Arborvitae Fine bright green foliage with bluish tips.....	.17½	.50	1.85
Thuja orientalis Bonita Upright A most perfect symmetrical cone-shaped green arborvitae never growing over 5-6' in height. Very desirable.....	.17½	.50
Thuja orientalis compacta . Compact Arborvitae Attractive compact globe-shaped conifer with bright green dense foliage.....	.17½	.50	1.85
3-in. pot—\$.35. Field Grown BB 24-30"—\$2.50			
Thuja orientalis pyramidalis . Oriental Pyramidal Arborvitae Tall narrow pyramid of compact deep green foliage. One of the best arborvitae for accent planting.....	.17½	.50	1.85
Field Grown BB 3-4"—\$2.00			
TRACHELOSPERMUM fragrans Very tropical looking evergreen vine—the leaves are large and elliptical—the flowers are white and fragrant.....	.25	1.00	2.50
TURRAEA obtusifolia . Star Bush A refined low growing shrub with small neat foliage. The white flowers are star-shaped and are in bloom almost continuously.....	.17½	.50	1.75
ULMUS parvifolia sempervirens . Evergreen Elm A fine small tree for lawn planting. Makes a flattened spreading rounded head with gracefully arching branches and small deep green leaves. Evergreen17½	.50	1.85
VERONICA andersoni (Hebe andersoni) Compact evergreen shrub with smooth, light green leaves and pointed spikes of lavender blue flowers. Almost everblooming.....	.15	.40
Veronica buxifolia (Hebe buxifolia) A fine leafed shrub for low specimens or hedge plantings. The thick leaves are arranged extremely regular on the stems.....	.15	.40	1.60
Veronica imperialis (Hebe speciosa) Thick rounded leaves with purple veins. Flowers in pointed spikes, deep wine red. Veronicas are excellent ever-green shrub for planting in coastal areas even in exposed places.....	.15	.40	1.60

	2-in. Pot	1-Gal.	5-Gal.
VIBURNUM japonicum Beautiful compact shrub with large light green foliage and clusters of white flowers.....	.15	.40	1.60
Viburnum odoratissimum. Sweet Viburnum A very dependable plant of erect growth and bearing fragrant white flowers. Its large thick leaves of unusual texture make a most attractive shrub throughout the year.....	.17½	.40	1.60
Viburnum opulus sterile. Eastern Snowball Hardy deciduous shrub to 8 feet. Flowers in globular clusters pure white in May and June. Easy to grow.....	.17½	.45	1.60
Viburnum tinus robustum Medium to large evergreen shrub with luxuriant deep green foliage. White flowers in clusters, often blushed with pink are followed by black berries. Sun or shade. Improvement on V. tinus, practically mildew proof. (See picture page 66.).....	.15	.40	1.60
Viburnum suspensum. Sandankwa One of the finest evergreen shrubs for foliage and flowers. Fragrant white flowers followed by black berries. Sun or shade.....	.15	.40	1.60
VITEX Agnus-castus. Chaste Tree Large shrub or small tree having distinct light green leaves. Flowers appear in spiked head of lilac or blue. Does not require good soil. Drought resistant15
Vitex lucens. New Zealand Chaste Tree Very desirable small tree for its dark green foliage alone. In late summer countless pink flowers appear. Later, it has an abundance of orange-red berries60	1.95
Vitex macrophylla. Lilac Chaste Tree A graceful shrub with long spikes of lovely pale blue flowers. It blooms freely through the summer. A vigorous grower and produces its flowers on the new wood. An improvement over Agnus-castus.....	.15	.40
WASHINGTONIA robusta A popular fan palm. Tall and slender, with brilliant green foliage17½	.45	1.60
WEIGELA Bristol Ruby (Pat. No. 492) A new deep red flowered Weigela. Excellent dark green foliage. Full sun. Hardy. Deciduous. (See picture page 68.).....	.30	.60	1.75
Weigela Eva Rathke Bright red honeysuckle-like flowers. A beautiful shrub to 6 ft. Sun15	.40	1.60
Weigela rosea (Weigela florida). Pink Weigela Medium to large size deciduous shrub producing masses of pink flowers in spring. Excellent light green foliage. Sun.....	.15	.40	1.60
Weigela rosea variegata Foliage variegated white and green. Effective for foliage contrasts, and heavy bloom of pink and white flowers.....	.15	.40	1.60
Weigela Vaniceki Highly desirable shrub having large bright red flowers and upright compact habit of growth. Very hardy. This weigela has an especially long blooming period.....	.17½	.45	1.60
XYLOSMA heterophylla Dwarf growing, having good deep green glossy foliage.....	.17½	.50
Xylosma senticosa (Myroxyton senticosum) Trailing shrub with light green glossy foliage. Recommended for narrow places as a ground cover, or espaliered on a trellis or wall. Always an attractive foliage shrub showing reddish tints in the new growth17½	.45	1.65

BOUGAINVILLEA TEXAS DAWN

Trade Mark Reg.

A New Star Is Born...

Soon we will present the new Bougainvillea Texas Dawn . . . loveliest of them all! From its arching sprays it suspends a myriad of large, gracefully formed bracts of Tyrian rose, a shade with which nature is lavish in painting a Texas dawn. One of the hardiest, this spectacular new Bougainvillea grows fast without losing its symmetry. It's practically everblooming and requires little care. Give it plenty of sun and in return it will furnish a riot of color most of the year.

Watch for early announcement!
